NOTICE.

TUESDAY MORNING, MAY 14, 1872.

TUESDAY MORNING, MAY 14, 1872.

Belmont first turned up in American politics, and, fatally to all American interests, in 1856, when Buchanan was nominated over Douglas—the East prevailing over the West, and Engiand, rather than America, shaping, unfortunately for America, shaping, unfortunately for America, the result of the cusuing contest for the ensuing contest for the Presidency. Belmont again interposed at Charleston, and prevailing over the West, and prevailing over the West, and Engiand, rather than America, shaping, unfortunately for America, the result of the cusuing contest for the ensuing contest the many of the passion for place, think it patriotic, and that the good of the personal many interests, in 1856, when Buchanan was interested in foreign trade was believe the many of the passion for place, think it patriotic, and that the good of the personal many interests, in 1856, when Buchanan was interested in foreign trade was the content and the conditions will, all elements in the North), Mr. Belt done that the good of the personal many interests, in 1856, when Buchanan was in the trade in the tra ented co-operation between the severely felt in Memphis is a cheap, West and South, as was said, by un- suitable and durable building stoneworthy agencies, and thence came the disruption of the Democratic party, and consequently, of the Union. Belinout was not content with his achievements. He was, we believe, a very proper Radmond factor of the party and content with his achievements. He was, we believe, a very proper Radmond factor of the disruption of the Union. Belinout and flagging, and though every energy en

He was, we believe, a very proper Radical during the war. In fact, he has ever managed to ingratiate himself with the party in power, and at the same time control absolutely the fortunes of the party out of power. It is very generally believed that he is employed by the one to eviscerate the manhood of the other. He shaped the fartunes of the Democracy when he made Seymour the Democracy when he made Seymour the Democracy when he dade in 1808, instead of Pendleton or City road that is peculiar to the locality of the finest building material in the month of the party out of power, it is very generally believed that he is employed by the one to eviscerate the mathood of the other. He shaped the fartunes of the Democracy when he made Seymour the Democracy when he dade in 1808, instead of Pendleton or City road that is peculiar to the locality of the decedent is immaterial, and the right to maintain the action depends upon the loyalty of the administration the administration the administration the administration the loyalty of the administration that the content of the particular to the profit administr date in 1868, instead of Pendleton or City road that is peculiar to the locality Hendricks, and very properly had his of Batesville—a very pure, rich-colored reward in conducting for Grant's ad- marble that when taken out of the From the Decatur (Ala.) News and Democrat.; The Cork correspondent of the Bosto ministration the negotiation of Federal quarry can be cut with a knife or planed ministration the negotiation of Federal bonds in Europe. He heard of trouble browing with his little arrangement with Grant not long ago. He came West "snipe-shooting"—his toadies so reported it—and forthwith the birds he collected sang sweetly of one Adams, of whom we only know that he never had an emotion, or sympathy, or sentiment in common in the masses of the American people. But Belmont's and the Rothschild's mediately on the line of this road.

The with a knife or planed to the upon the divide effectually the Republican party. For years he was its standard-bearer, and many of the old standard-bearer, and many of the old standard-bearer, and many of the publican party. For years he was its standard-bearer, and many of the old standard-bearer, and many of the publican party. For years he was its standard-bearer, and many of the publican party. MEMPHIS, TENN., April 22, 1872.

Mesors, Milburn, Walker & Co.;

Having examined some work executed by the Planter's Machine, I have no heattailon in saying that it is a decided success. The piowing is perfect, and the risiges formed at the same time are much superior to those made in the old style. They are uniform, and it is hard to distinguish one from the other. I commend it as a labor-saving machine, and trust it will be liberally patronized by the planters of the South.

must be special legislation for a county like this, and yet the constitution inhibits special legislation. The city and county governments should perhaps be an unit; but we find in the debt of each many obstacles to be removed before the unification can be effected. In any event, it was a wise suggestion of a modest, sensible gentleman and lawyer, who urged the appointment of a committee of fifteen to codify the crude suggestions defined by the cut suggestions defined by the cut suggestions defined by the crude suggestions defined by the cut suggestions defined by the cut suggestions defined by the cut suggestions defined by the crude suggestions defined by the cut suggesti SEEDS
